Morteza Zaker Email: smzaker@gmail.com Phone: 438-337-6600

OBJECTIVE

• To obtain a position as a R&D (Knowledge Representation and Reasoning - Business Intelligence),

HIGHLIGHTS OF QUALIFICATIONS

- Over three years of experience as a project manager and consultant
- Over two years working as a Business Intelligence developer and analysis
- Over five years of experience as a software developer, Database architect, Delphi programmer
- Over eight years working as a lecturer and researcher in university
- Able to work under pressure and juggle responsibilities, attention to detail
- Excellent leadership and communication skills
- Language of communication: English and Farsi

TECHNICAL SKILLS

Operating system: Windows (Server), Novel Netware, Mac

• Development Languages: T-SQL, M, DAX, .Net (using for SSIS Script tasks), Visual

Delphi, UML, OWL, SPARQL

Development Tolls: SSIS (2019), SSAS, SSRS, Power BI,

Protégé, Power Designer

Database: SQL Server, Oracle, Graph Database (research based).

MS DW, Data Vault, Using data mining in Power BI

WORK EXPERIENCE

Faculty Member

Sep 2013 - Sep 2018

Azad University-Tehran, Iran

- Taught undergrad/post graduate courses in computer software engineering.
- Developed lectures based on books, personal research, & course objectives.
- Supported grad students in selecting research topics & planning projects.

Project Manager (Independent Contractor)

Nov 2015 - Dec 2018

MAGFA Co, Iran

- Provided RFPs and served as project manager of BI projects.
- Worked as a project manager for the implementation of a SMS software system.
- Delivered a BI system for Pasargad Bank as a BI developer using SSIS, SSAS, Oracle ODI, Power BI
- Played a major role in designing & implementing Oracle VLDBs.

BI Data Analyst (Independent Contractor)

Oct 2016 - Sep 2017

Bonyad Mostazafan, Iran (Holding owns approx. 1000+ manufactures)

- Completed data migration and BI EDW using SSIS, SSRS and QlikView.
- Provided accurate, reliable and scalable data corresponding to source legacy system(s).
- Gathered all data into one system and central EDW.

Morteza Zaker Email: smzaker@gmail.com Phone: 438-337-6600

Telecommunication Company of Iran, Iran

- Developed an application with name of SPAD the same as IBM i2.
- Analyzed and recognized 120 patterns from VLDB with 1 Peta data.
- Supervised 10 developers for programming with JAVA /Oracle based on my Sudo codes.

TEACHING SUBJECTS

ALL COURSES ARE PRACTICALLY TEACHED

 Knowledge Representation & Reasoning, Advanced Business Intelligence Database, Advanced Databases, Requirements Engineering, Data Mining

AWARD

•	Doctoral Fellowship - Azad University	2013
•	Ranked 3rd in national Exam, Iran Judiciary as an IT Lawyer	2006
•	Ranked 1st in national Employment Intake Exam	2005
	FRUCATION	
	<u>EDUCATION</u>	
•	Ph.D Computer Software Engineering	2017
	Amirkabir University, Tehran, Iran (Wes approved it as an Incomplete PhD)	
•	MPhil - Computer Software Engineering	2013
	Amirkbair University, Tehran, Iran (Wes Approved)	
•	Master of Information Technology	2010
	Malaya/MMU University, Malaysia (WES Approved)	
•	Bachelor of Science - Computer Software Engineering	2004

CERTIFICATION & LICENSE

•	Udemy online course of "Power BI Advanced", SSIS 2019	In progress
•	Udemy Data science Courses	2020-2021

- Oracle Certified(expired)
- Microsoft Certified(expired)

Tabriz, Iran (WES approved)

Cisco Certified(expired)

Publication

Conference Proceedings
